Won't You Be My Neighbor...

“Good morning ... this is Annarose ...”

Denise Fucito

This “neighbor” doesn’t live in the Knolls per se, but probably spends more time here than most seasonal residents. Annarose Madore has been the CK Office Administrator since March 2017. She’s the woman you speak to on the phone and/or send emails to and/or occasionally meet in person when stopping by the office.

Annarose graduated from Binghamton University with a major in Management Information Systems. After working 9 years at MOBI-US, Inc., where she held positions as a Quality Assurance Analyst and then Project Manager, she left the company to raise her daughter. Her last job was Office Administrator/Accounts Payable for Party Depot in Danbury. When interviewed by Wayne Roberts, CK President in 2017, Annarose had already accepted another job offer; during the interview she immediately felt CK was a better fit for her and was thrilled when she was offered the job. She loves her position and enjoys meeting residents – putting a face to the voice on the phone. She is amazed how so many families are intertwined and consist of multiple generations – all making the community a family-oriented cozy place to live and work.

Born in the Bronx and raised in Brewster, NY, she and her husband, Kevin, decided to settle in New Fairfield in 2002 – on the other side of town between Ball Pond and Putnam Lake. The location was a compromise when Annarose wanted to settle in NY and Kevin, who was from Vernon, CT, wanted to live in CT. Her daughter, Sarah, is entering her Junior year at NFHS.

I had the pleasure of “subbing” for Annarose in early July and was amazed by the amount of tasks she undertakes and her efficiency and organizational skills. She loves that each day brings something new and enjoys working with the CK Board and Dan and his maintenance crew. Our CK Office is truly Annarose’s home away from home.

Hey Everyone!

Another Summer is officially in the books and there are so many people to thank for making the kids so happy this year. Whether you helped take pictures, made pasta and sauce, delivered ice pops, went to Costco, gave manicures, donated a mountain to climb, flipped burgers and dogs, made cupcakes, drove campers to the Isle and other field trips, put up tents for the campout (in record time, might, I add....) or scooped ice cream.....the list is endless and the CKCP is truly GRATEFUL to have such a fantastic community that supports each other. People say that it takes a village and the Knolls is one village that does not compare!

One more group to thank are the counselors and CIT's. These kids really put their hearts into the program and it doesn't work without them. As a parent, and colleague, I thank you for everything that you have done this Summer and want to wish you all of the best in the upcoming school year. You are all "rocks" that built this mountain that is so strong. Thank you for EVERYTHING.....

Things to keep an eye out for in the offseason ...

We are still hoping to hold our "Crockpot/Potluck/Football" Gathering during the Columbus Day weekend as it's always a great way to catch up with friends as we start to close down some of our homes and take our boats for a final cruise on the lake. Details will soon follow, as we get closer, but it's pretty simple and straightforward.....bring something to share, whether it's in a crockpot or just a shareable dish. BYOB and watch some of the games on the big screens!

In addition, we are hoping to schedule at least 2 CKCP Ski Days again this season, starting at Mohawk Mountain, in Cornwall, Ct.

Regards,

Phil and the entire CKCP Staff
