Mah-Jong—Mondays @ 7pm

beginning @10am

Hello Summer! It's official - Thursday, June 20th was our first day of summer - and the one with the longest daylight. This date is determined by when the sun reaches its northernmost point from the celestial equator. I hope you enjoyed all the sunshine!

Our Memorial Day Cocktail Party was a huge success with over 200 people in attendance! Thanks to Denise & Phil Passaro for hosting our "welcome" party. They extend their appreciation and thanks to Florence Iavarone, Cathy Joedecke, Chris Murphy, Rich Stroh, Wayne Roberts, Mike Dapolite, and Lori & Neil Hayden for helping - as well as the former CKCP counselors who bartended!

I look forward to seeing all the parents and grandparents dropping off and picking up their children/grandkids when camp begins on Monday. Lots of smiles on those faces (the adults as well as the children). I can't help but reminisce about those summer days in the 90's when I dropped off my children and felt like the luckiest Mom alive to have such a wonderful program in my own neighborhood. Coming from Long Island where you battled traffic daily, it was so convenient to be able to walk to camp then walk to the beach when it was over. Life was, and still is, great when you live in the Knolls!

Our July calendar is full of activities and in addition to celebrating the 95th anniversary of the Knolls, we will also be celebrating 50 years of the family picnic!! But first we have our Beautification Clean-up Day, Pancake Breakfast, and Clambake. It takes a village to plan and run all our events, so I hope you will keep that in mind when we seek volunteers for our activities.

Most people are at the age where they are using their phones to document the good times in their lives. I'm at the age where I use my phone to take pictures of labels that I can't read and use my phone to enlarge the print so that I can read it.
